

Directions to Quinta do Loureiro

Directions to Quinta do Loureiro from Porto airport / Porto / Lisbon

Gps Coordinates N 41º 06' 27" - W 8º 05' 40"

(Rua dos Valados - see number 20)

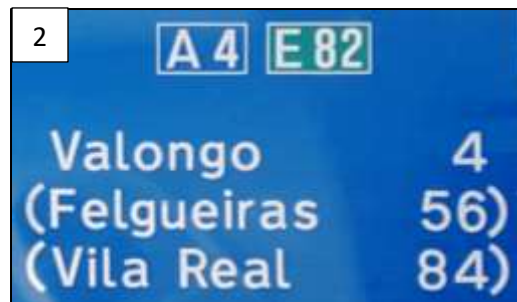

Important! The coordinates above will take you to where Rua dos Valados joins the R108 road. You can also find Quinta do Loureiro on Google Maps, but this is the house itself and your sat-nav will try to direct you to it along roads that are not there! If you have problems with the coordinates, simply input PALA RAILWAY STATION RIBADOURO. Your sat-nav will find that and then please call me on +351 932347949 when you get there. It is just around the corner from the house. The instructions below give you clear directions and pictures to help. If you can, please follow these directions as sat-navs sometimes take you down unsuitable roads.
